The screenshot displays the iC Enterprise Mode interface. The top navigation bar includes 'Contractors', 'Contracts', 'Items', 'Sales', and 'Tools'. The 'Contracts' tab is selected and circled in red (1). Below the navigation bar, the 'Contracts' section is visible with a 'Create' button circled in red (2). A modal window titled 'Contracts create g...' is open, showing a 'Save and close' button circled in red (3) and a 'Create group' button circled in red (4). The modal also contains a 'Description' field with the text 'Contracts' and a 'Parent' dropdown menu. The bottom status bar shows 'Current calls: 0' and 'Accumulated calls...'.

The screenshot shows the 1C Enterprise interface in 'Enterprise Mode'. The main window displays a list of 'Contracts' with a table containing 'Description' and 'Code' columns. A modal window titled 'Contracts (create g...)' is open, allowing the user to create a new group. The modal contains fields for 'Code', 'Description', and 'Parent'. Red arrows and numbers highlight the following elements:

- 1: Points to the 'Contracts' folder in the main list.
- 2: Points to the 'Description' field in the modal.
- 3: Points to the 'Parent' dropdown in the modal, which is set to 'Contracts'.

The screenshot displays the 1C Enterprise Configuration window for the '1C:Enterprise, training version'. The main menu includes 'Contractors', 'Contracts', 'Items', 'Sales', and 'Tools'. The 'Contracts' section is active, showing a tree view with 'Contracts' and 'Sales' folders. The 'Sales' folder is highlighted in yellow. A 'Contracts (create)' dialog box is open, showing fields for 'Code', 'Description' (containing 'SalesRecord0000'), and 'Parent' (set to 'Sales'). The 'Save and close' button is highlighted in yellow. Red annotations include a circle around the 'Create' button, an arrow pointing to the 'Create group' button, and an arrow pointing to the 'Sales' folder in the tree view.
